

# **FAMILY SERVICE PROGRAM**

2019/2020

## **Rational for the Program:**

In order to help keep the cost of education down AND to encourage a spirit of volunteerism, community and support, the PCHS Board established a program in which each family is asked to volunteer eight (8) hours of time to the school.

## **Implementation Plan:**

1. ALL families will be assessed \$150.00 at the time of registration. This fee will be included on the registration form and due with the registration payment.

Parents/guardians are to donate eight (8) hours of concessions hours or cleaning to the school by June 30, 2020. You will be reimbursed the \$150 after your hours are completed.

2. **Family Service Hours may be fulfilled by doing one of the following:**

- a. Sign up for Eagle Booster concessions (includes Tulip Time). Online signup will become available mid-July via SignUpGenius located on the school's website. The first signup deadline is August 23. The second and final signup deadline will be March 31, 2020. AFTER THAT DATE FAMILIES WHO HAVE NOT SIGNED UP WILL BE ASSIGNED CONCESSIONS TIME SLOTS. If you are not able to work your assigned slot, you are asked to find your own replacement.
  - b. Contact the school office at 628-4440 **by August 23** if you wish to work your (8) hours cleaning the school in early June instead of working concessions.

3. **IMPORTANT:** It is crucial that you sign up for concessions via SignUpGenius located on the school website under Quick Links. **If you do not sign up, you will be assigned a concessions slot** unless you have made other arrangements as indicated above in 2b.
4. Starting Date: July 1 of each year with the ending date of June 30 the following year. **NOTE: No hours can be carried forward to the next year. All hours worked between July 1, 2019 and June 30, 2020 will be applied to the 2019/20 school year.**
5. Parents will check in and check out during the scheduled time with the supervisor in charge.
6. Reimbursement payments will be sent out periodically through out the plan year at the close of each season.
7. Students doing community service are NOT part of this family service program.

Concession stand revenue is used to support **all departments** of the school including the arts, academics, and athletics through annual department requests made by teachers and coaches. Thanks to our many parent volunteers, the **2018/19 Eagle Boosters support totaled over \$36,000!** Parent involvement is crucial for this support to continue. Serving in concessions is a great way to build community and gives every family opportunity to assist with defraying costs for all of us. Thank-you!
