

Pella Christian High School Food Service 2018/2019

Bonnie Van Wyngarden and her Food Service 'crew' have been serving delicious and economical meals to the students at Pella Christian High for over 30 years. They do much more than simply prepare tasty food; they also serve generous helpings of love and encouragement to our students. Please take a couple of minutes to read the following helpful information concerning our Hot Lunch Program, including the option of viewing lunch accounts on-line.

Costs:

1 Lunch = \$2.50

20 Lunches = \$50 (App. 1 month of meals)

90 Lunches = \$225 (App. 1 semester)

180 Lunches = \$450 (Full year)

Extra Milk = .30 per serving

Any amount may be deposited into your child's account at registration or during the school year. Payment may be sent with students their first day of school but there must be a balance in the student's lunch fund by the first day of classes if they intend to eat hot lunch. During the school year the student will be informed in the lunch line when their fund is running low so they can tell their parents.

Lunch account balances can also be checked on-line at www.pceagles.org → select the Parent option top of home page → select Parent Online Grades → Parent Grade Access → Sign in using your parent user name and password → Choose the Lunch option and the lunch fund(s) for your student(s) will come up. Please note that students often charge break food and extra milk to their lunch accounts. These charges will all show up as 'extra milk' entries on their account.

Any families that may qualify for free or reduced lunches are encouraged to fill out the application form and return it to the school office as soon as possible. The forms will be available in the school office at registration or mailed to those who register remotely.

If you ever have any questions concerning the hot lunch program or your child's balance please call Bonnie at 628-1950 or the school office at 628-4440 or e-mail vanwyngardenb@pceagles.org
