### Camp Philosophy

This camp is coached by Pella Christian girls' basketball coaches along with high school players currently in our program. Basketball fundamentals will be taught in a fun, social setting that encourages all levels of ability and experience to learn the great game of basketball! We will also learn what it means to glorify God through sports and how to be a great teammate. We look forward to working with young girls to create positive and encouraging relationships while developing new skills and friendships!

### Camp Staff

Our summer basketball camp is led by Pella Christian Girls' Basketball coaches and current players.
