

New Incentive to Christian Education (NICE) Plan (2nd Year)

It is with great joy that we are able to offer the NICE Plan! Families of students in grades 9-12 who qualified last year for the NICE plan will be offered up to a 25% reduction in their total family tuition for their second year of enrollment. **The NICE Plan gives us the opportunity to introduce the concept of Christian education to families who might not otherwise consider it because of the cost of tuition. Does this apply to your family? If you have only paid tuition for one year of your children's K-12 education in the past, this does apply to you!** This plan allows families to transition the cost of tuition into their budget.

Are you eligible?

- 1) We require all school-aged children in grades 9-12 from your family be enrolled at Pella Christian High School.
- 2) This is your family's **second** year of having students attending a CSI or ACSI school.
- 3) You **must** have applied for a grant from the Student Tuition Organization (STO). If a family qualifies for a grant from STO, the New Introduction to Christian Education Incentive Plan (NICE) grant will be reduced by the amount of the STO awarded.
