

Poinsettias, Poinsettias, Poinsettias

Dear Friends,

Many of us enjoy decorating our churches, homes, and business places with poinsettias at Christmas time. The Pella Christian High School Music Department would like to assist you with this decorating process. In cooperation with Nick's Greenhouse, we are planning to sell poinsettias prior to the holiday season. Profits from this fundraiser are used to fund the choir and band trips that alternate each spring. We will take orders beginning now and continue to take them through Tuesday, November 23. The plants will be ready for pickup on Tuesday, November 30 from 2:30-5:00 pm in the music room. Any plants not picked up on Tuesday should be picked up as soon as possible during normal school hours.

All plants will come in six-inch pots. Your choice of colors is red and/or white.

Should you wish to purchase a poinsettia while helping our music department with fundraising, please fill out the bottom of this sheet and return it with the proper amount of money to the school office or with any music student. The price of each poinsettia is \$13.50 (the same price you'd pay at the greenhouse).
