

Dear 2022 Senior Parent/Guardian,

Congratulations on your student's accomplishments at PCHS! Senior year will come and go before we know it. I wanted to provide you with some information regarding how the yearbook will help capture this special moment.

Senior Photos: Senior photos are something you will treasure forever, so I wanted to leave you with some tips, so you are completely satisfied with the way your student's photo appears in the Yearbook and End-of-Year slideshows. Your photographer typically sends in photos for you, so please share this letter with him or her!

Advice on Poses: Submit a vertical photo that features your student from the waist up, taken eye-level with the subject. Natural-looking backgrounds and solid-colored/non-busy tops look best. Following these guidelines create a more consistent feel with the yearbook and avoids awkward cropping. We also recommend avoiding harsh filters.

File Name: The best way to submit your photo is as LastName_FirstName through email yearbook@pceeagles.org. Example: Smith_Kate.jpg

File Sizes/Resolution: Photos should be 300 DPI resolution or larger, or they will appear blurry in the yearbook; please limit file sizes to 2 MB. No screenshots allowed!

Submitting Photos: Photos need to be submitted digitally to Joni Van Der Pol **no later than December 17**. Hard copies of photos are not accepted and PCHS will not be responsible for returning original photos! Please include the student's name in the subject of the email (ex. Kate Smith Senior Photo)

If you are unable to submit a senior portrait, a yearbook representative can take them. If this is necessary, please contact Joni Van Der Pol **before Nov. 15th if you need to arrange a photo shoot for your student's portrait.

**If no photo is submitted, their LifeTouch portrait will be used.

Yes!

This vertical photo has a natural background, features the student from the waist-up, is not too far away.

No!

These horizontal photos are too far away (left) and too close (right) and will have to be cropped to fit into the yearbook.
