

Pella Christian High School International Student Program Host Family Application

Pella Christian High School's vision for our international students is that they will **observe** Christian values in the host home and school; **develop** their intellectual gifts through academic excellence; **build relationships** with our students, promoting global and cultural awareness and understanding; and **be prepared** to return to their passport countries as servant leaders.

This application does not automatically mean that an international student will be placed in your home, nor does it commit you to accept a student until you have been contacted with further information.
