EAGLE BOOSTERS

What is PC Eagle Boosters?

The PC Eagle Boosters is a group of PC supporters who desire to serve and participate in the life of the school by providing financial support for many classroom and co-curricular needs.

- We serve by providing Concessions for home sporting events, Fine Arts activities and Tulip Time.
- We build community by working alongside fellow parents, grandparents and other community members who love PC.
- We provide financial support to PC for items like team uniforms, music room risers, classroom aides and much more.

What are the perks of being an Eagle Booster?

Free family admission to all home athletic events

Free meal whenever you lead an event

You are living out the mission of PC!

What does an Eagle Booster member do?

PC Eagle Boosters serve others, provide meaningful participation in the life of PC and actively support the financial needs of classrooms and co-curriculars.

Exciting changes are coming this year as PC Eagle Boosters will work alongside our new PC Concessions Coordinator, Steph Vander Molen. She will purchase and track inventory as well as prep concession stands for all events. Booster members will oversee activities for two seasons a year and lead volunteers in the stand 2 to 3 times each season. They will also lead a shift at Tulip Time and attend monthly meetings. Coordination of schedules encourages Booster members to still attend and support students in their activities. There is no experience required. All PC supporters are welcome to join!
