

**JUNE  
8-10**

PELLA CHRISTIAN

# **SPIKERS**

## **VOLLEYBALL CAMP**

This camp will be a wonderful opportunity for the younger generation to grow their volleyball skills, connect with our volleyball program, and be encouraged by the high school players and coaches!

Coach Frost will be leading full-group instruction and demonstrations throughout the three days of camp. High school players will be leading small groups of campers to run drills and activities for the majority of time to grow skills and connection. Coaches will be floating from group to group to support.

Both camps held at Pella Christian High School Gymnasium.
